**TO: NABCA Board of Directors, NABCA Education Task Force**

The Federal Trade Commission is hosting a National *We Don't Serve Teens Week*, to be held the week of September 10- 15, 2007. During this week, public and private entities across the country will spread the word about the dangers of serving alcohol to teens.

You can help the FTC get the word out on *We Don't Serve Teens Week* by posting this message on your website **starting this week**.

**We Don't Serve Teens Week starts September 10**

Most teens who drink get alcohol from "social sources" – at parties, from older friends, from their parents' cabinet. Teen drinking is linked to injury and risky behavior. Get the word out:
